PROFILE

I am hardworking honest individual. I am a good time keeper, always willing to learn new skills. I am a friendly, polite person and have a good sense of humour. I am well organized and always plan ahead to make sure I manage my time well. I have desire and personal intention to work on my programming skills on everyday basis. My favorite books are Dan Brown books as I could enter into deep lake of unknown and can improve my knowledge of heritages of different civilizations and histories of various nations. With all my hunger to work I am willing to do my best for my future workplace and make contributions for future decades
